ORDER DISMISSING PROCEEDING

(January 27, 1997)

Complainant has submitted a Settlement Agreement signed by both parties which disposes of all the issues in this case. As part of the Settlement Agreement they have agreed to dismissal of this case without an administrative hearing.

The OCAHO Rules of Practice and Procedure provide that when parties or their authorized representatives enter into a proposed settlement agreement, they may submit to the Judge either a proposed agreement containing consent findings and a proposed decision and order or notify the Judge that the parties have reached a full settlement and have agreed to the dismissal of the action. 28 C.F.R. § 68.14(a).

In this case the parties have not submitted consent findings. However, the parties have reached a full settlement and as part of the settlement the parties agree that Respondent's request for hearing is withdrawn and that the case should be dismissed without an administrative hearing. See ¶ 3 of the Settlement Agreement. Therefore, pursuant to 28 C.F.R. § 68.14(a)(2), this proceeding is dismissed with prejudice.
